Solvang Mayor loses his head-- for charity

Solvang Mayor, Gene Boyle Jr. had his head cut off twice in one day at both performances of illusionist Andre Kole's magic spectacular "Where Illusion and Reality Collide." Both performances, which were held at the Presbyterian Church last Thursday were nearly sold out. A total of \$7,000 was collected and after expenses \$900 went to the Christian Academy. On an evangelistic note 131 people committed themselves to the Lord. So the mayor's head wasn't lopped off for nothing.
